Section 3030d), California Department of Aging Program Memoranda; County Program Memoranda/Directives and Standard Operating Procedures.

1.1.4 **About the Los Angeles County Area Agency on Aging:** County is a locally-designated Area Agency on Aging (AAA) by the CDA Planning and Services Area (PSA) designated by the CDA as PSA 19 and includes the County of Los Angeles , excluding the City of Los Angeles (which is designated as its own AAA, PSA 25).

Established in 1975, the Los Angeles County AAA is responsible for identifying unmet needs of Older Adults and functionally-impaired adults as well as planning, coordinating and implementing programs that promote the health, dignity and well-being of Older Adults residing in Los Angeles County. The mission of Los Angeles County AAA is to stimulate progress towards the creation of a home and community-based long-term care system that maximizes consumer independence and dignity and is responsive and accessible to Los Angeles County's diverse population of Older Adults and functionally-impaired adults, as well as their families.

1.1.5 **Funding Availability:** For the expected four (4) year term of the anticipated contract, 2014 – 2018, County anticipates maximum Fiscal

Year (FY) funding for the entire SSP will be approximately \$ 2,810,190.

1.1.5.1 Proposers shall be aware that funding for SSP is contingent upon the availability of federal, state and local funds, and contracts may be recommended for additional or reduced funding than the amounts proposed. It is the intent of County to have the Proposal submitted by the successful Proposer(s) made a part of the resulting contract should the Proposal be recommended for funding. County may negotiate a modification of any contract that may be awarded after the Proposal has been selected to ensure that all necessary SSP requirements are met. Upon modification by County of the precise award levels, Proposer may opt not to enter into a contract with County if they believe they cannot achieve the objectives of their proposed program at an increased or reduced amount.

1.1.5.2 **Program Goals and Funding Requested by Proposer:** Successful Proposer(s) will be required to deliver each of the Service requirements described in Appendix B (Statement of Work), as well as in Appendix A (Sample Contract), and Performance Requirements Summary (PRS) Chart (Exhibit S to the Sample Contract). For the purposes of this RFP, Proposers are required to establish a proposed Unit Rate (defined in Statement of Work Paragraph 3.0 (Specific Tasks)) for the required Unit of Measurement.

If Proposer is awarded a contract, County will utilize the proposed Unit Rate provided in the Proposer's Proposal to establish the contract fixed rate upon which all payments will be based. The proposed Unit Rate shall not exceed the maximum reimbursement rates specified in Appendix A (Sample Contract), Exhibit A (Statement of Work), and Appendix B (Statement of Work). Proposers proposing Unit Rates in excess of the maximum reimbursement rates shall be deemed non-responsive in County's sole judgment, and not considered further.

1.1.5.3 **Funding Allocation Plan:** The available funding will be allocated to the five (5) Supervisorial Districts (SD) based on a funding formula adopted and approved by the Los Angeles County Board of Supervisors (Board of Supervisors or Board).

1.1.5.3.1 Based on the 2010 Census, there are an estimated 1,534,805 seniors living within Los Angeles County. Sub-paragraph 1.1.6 below, titled, "SSP Estimated Annual Funding/Units of Service for FY 2014-15", allocates the total proposed SSP funding available in each SD. The expected number of Units of

Service (see Appendix A (Sample Contract) Exhibit J – Definitions) and all funding amounts are estimates only.

1.1.5.3.2 County reserves the right, at its sole discretion, to adjust the funding among the five (5) SDs, as needed, based on County's needs and availability of funding.

1.1.5.3.3 County may, at its sole discretion, limit the number of Contractors in FY 2014-18 to the equivalent number of Contractors currently providing SSP Services, or reduce the number of Contractors in FY 2014-18 from the total number of Contractors currently providing SSP Services, depending on the needs of the County, and availability of funding.

1.6 Contract Term

The Contract term shall be for a period of four (4) years. The Contract shall commence on July 1, 2014, following Board of Supervisors' award.

1.7 Contract Rates

Proposer's rates shall remain firm and fixed for the term of the Contract. The Contract (hourly, daily, monthly, Unit Rate, etc.) amount may be adjusted annually based on the increase or decrease in the U.S. Department of Labor, Bureau of Labor Statistics' Consumer Price Index (CPI) for the Los Angeles-Riverside-Orange County Area for the most recently published percentage change for the twelve (12) month period preceding the Contract anniversary date, which shall be the effective date for any cost of living adjustment.

Proposers must specifically label only those provisions of their respective Proposal which are "Trade Secrets," "Confidential," or "Proprietary" in nature.**

Proposer shall certify that he/she is aware of and has read Section 2.180.010 of the Los Angeles County Code as stated in Appendix D (Required Forms) Exhibit 5 - Certification of No Conflict of Interest.

1.21 Determination of Proposer Responsibility

- 1.21.1 A responsible Proposer is a Proposer who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is County's policy to conduct business only with responsible Proposers.
- 1.21.2 Proposers are hereby notified that, in accordance with Chapter 2.202 of the County Code, County may determine whether Proposer is responsible based on a review of Proposer's performance on any contracts, including but not limited to County contracts. Particular attention will be given to violations of labor laws related to employee compensation and benefits, and evidence of false claims made by Proposer against public entities. Labor law violations which are the fault of the subcontractors and of which Proposer had no knowledge shall not be the basis of a determination that Proposer is not responsible.
- 1.21.3 County may declare a Proposer to be non-responsible for purposes of this Contract if the Board of Supervisors, in its discretion, finds that Proposer has done any of the following: (1) violated a term of a contract with County or a nonprofit corporation created by County; (2) committed an act or omission which negatively reflects on Proposer's

quality, fitness or capacity to perform a contract with County, any other public entity, or a nonprofit corporation created by County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against County or any other public entity.

- 1.21.4 If there is evidence that the apparent highest ranked Proposer may not be responsible, County shall notify Proposer in writing of the evidence relating to Proposer's responsibility and its intention to recommend to the Board of Supervisors that Proposer be found not responsible. County shall provide Proposer and/or Proposer's representative with an opportunity to present evidence as to why Proposer should be found to be responsible and to rebut evidence which is the basis for the County's recommendation.
- 1.21.5 If Proposer presents evidence in rebuttal to County, County shall evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board of Supervisors. The final decision concerning the responsibility of Proposer shall reside with the Board of Supervisors.
- 1.21.6 These terms shall also apply to proposed subcontractors of Proposers on County contracts.

1.22 Proposer Debarment

- 1.22.1 Proposer is hereby notified that, in accordance with Chapter 2.202 of the County Code, County may debar Proposer from bidding or proposing on, or being awarded, and/or performing work on other County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and County may terminate any or all of Proposer's existing contracts with County, if the Board of Supervisors finds, in its discretion, that Proposer has done any of the following: (1) violated a term of a contract with County or a nonprofit corporation created by County; (2) committed an act or omission which negatively reflects on Proposer's quality, fitness or capacity to perform a contract with County, any other public entity, or a nonprofit corporation created by County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against County or any other public entity.
- 1.22.2 If there is evidence that the apparent highest ranked Proposer may be subject to debarment, County shall notify Proposer in writing of the evidence which is the basis for the proposed debarment, and shall advise Proposer of the scheduled date for a debarment hearing before Contractor Hearing Board.

1.24 Gratuities

1.24.1 Attempt to Secure Favorable Treatment

It is improper for any County officer, employee or agent to solicit consideration, in any form, from a Proposer with the implication, suggestion or statement that Proposer's provision of the consideration may secure more favorable treatment for Proposer in the award of the Contract or that Proposer's failure to provide such consideration may negatively affect County's consideration of Proposer's submission. 1.24.2 Proposer Notification to County

The report shall be made either to County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861. Failure to report such a solicitation may result in Proposer's submission being eliminated from

1.25 Notice to Proposers Regarding the County Lobbyist Ordinance

The Board of Supervisors of Los Angeles County has enacted an ordinance regulating the activities of persons who lobby County officials. This ordinance, referred to as the "Lobbyist Ordinance", defines a County Lobbyist and imposes certain registration requirements upon individuals meeting the definition. The complete text of the ordinance can be found in County Code Chapter 2.160. In effect, each person, corporation or other entity that seeks a County permit, license, franchise or contract must certify compliance with the ordinance. As part of this solicitation process, it will be the responsibility of each Proposer to review the ordinance independently as the text of said ordinance is not contained within this RFP. Thereafter, each person, corporation or other entity submitting a response to this solicitation, must certify that each County Lobbyist, as defined by Los Angeles County Code Section 2.160.010, retained by Proposer is in full compliance with Chapter 2.160 of the Los Angeles County Code and each such County Lobbyist is **not** on the Executive Office's List of Terminated Registered Lobbyists by completing and submitting Appendix D (Required Forms) Exhibit 6 - Familiarity with the County Lobbyist Ordinance Certification, as part of their Proposal.

1.31 County Policy on Doing Business with Small Business

1.31.1 County has multiple programs that address small businesses. The Board of Supervisors encourages small business participation in County's contracting process by constantly streamlining and simplifying our selection process and expanding opportunities for small businesses to compete for our business.

1.31.2 The Local Small Business Enterprise Preference Program requires the Company to complete a certification process. This program and how to obtain certification are further explained in Sub-paragraph 1.33 – Local Small Business Enterprise Preference Program of this RFP.

1.31.3 The Jury Service and Living Wage programs, provide exceptions to the programs if a company qualifies as a Small Business. It is important to

note that each program has a different definition for Small Business. You may qualify as a Small Business in one (1) program but not the other.

Further explanations of these two (2) programs are provided in Sub-paragraph 1.32 – Jury Service Program of this RFP.

- 1.31.4 County also has a policy on doing business with small business that is stated in Appendix F – Policy On Doing Business With Small Business.

1.32 Jury Service Program

The prospective contract is subject to the requirements of County's Contractor Employee Jury Service ("Jury Service Program") (Los Angeles County Code, Chapter 2.203). Proposers should carefully read Appendix G – Contractor Employee Jury Service, and the pertinent jury service provisions of Appendix A (Sample Contract) Sub-paragraph 8.8 – Compliance With The County's Jury Service Program, both of which are incorporated by reference into and made a part of this RFP. The Jury Service Program applies to both Contractors and their Subcontractors. Proposals that fail to comply with the requirements of the Jury Service Program will be considered non-responsive and excluded from further consideration.

- 1.32.1 The Jury Service Program requires Contractors and their Subcontractors to have and adhere to a written policy that provides that its employees shall receive from Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with Contractor or that Contractor deduct from the employee's regular pay the fees received for jury service. For purposes of the Jury Service Program, "employee" means any California resident who is a full-time employee of a Contractor and "full-time" means forty (40) hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Therefore, the Jury Service Program applies to all of a Contractor's full-time California employees, even those not working specifically on the County project. Full-time employees providing short-term, temporary services of ninety (90) days or less within a twelve (12) month period are not considered full-time for purposes of the Jury Service Program.

- 1.32.2 There are two (2) ways in which a Contractor might not be subject to the Jury Service Program. The first is if Contractor does not fall within the Jury Service Program's definition of "Contractor".

The Jury Service Program defines "Contractor" to mean a person, partnership, corporation or other entity which has a contract with County or a Subcontract with a County Contractor and has received or will receive an aggregate sum of fifty-thousand dollars (\$50,000) or more in

any twelve (12) month period under one or more County contracts or subcontracts. The second is if Contractor meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to Contractors that have 1) ten (10) or fewer employees; and, 2) annual gross revenues in the preceding twelve (12) months which, if added to the annual amount of this Contract is less than five hundred thousand dollars (\$500,000), and, 3) is not an “affiliate or subsidiary of a business dominant in its field of operation”. The second exception applies to Contractors that possess a collective bargaining agreement that expressly supersedes the provisions of the Jury Service Program. Contractor is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining agreement.

- 1.32.3 If a Contractor does not fall within the Jury Service Program’s definition of “Contractor” or if it meets any of the exceptions to the Jury Service Program, then Contractor must so indicate in Appendix D (Required Forms) Exhibit 10 – Contractor Employee Jury Service Program Certification Form and Application For Exception, and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing Contractor’s application, County will determine, in its sole discretion, whether Contractor falls within the definition of Contractor or meets any of the exceptions to the Jury Service Program. County’s decision will be final.

1.33 Local Small Business Enterprise Preference Program

- 1.33.1 County will give Local SBE preference during the solicitation process to businesses that meet the definition of a Local Small Business Enterprise (Local SBE), consistent with Chapter 2.204.030C.2 of the Los Angeles County Code.
- 1.33.2 A business which is certified as small by the Small Business Administration (SBA) or which is registered as small on the federal Central Contractor Registration data base may qualify to request the Local SBE Preference in a solicitation.
- 1.33.3 Businesses must complete Appendix D (Required Forms) Exhibit 7 - Request for Local SBE Preference Program Consideration and CBE Firm/Organization Information Form with their Proposal.

Sanctions and financial penalties may apply to a business that knowingly, and with intent to defraud, seeks to obtain or maintain the Local SBE Preference.

1.34 Local Small Business Enterprise (SBE) Prompt Payment Program

It is the intent of County that Certified Local SBEs receive prompt payment for services they provide to County Departments. Prompt payment is defined as fifteen (15) calendar days after receipt of an undisputed invoice.

1.35 Notification to County of Pending Acquisitions/Mergers by Proposing Company

Proposer shall notify County of any pending acquisitions/mergers of their company. This information shall be provided by Appendix D (Required Forms) Exhibit 1 - Proposer's Organization Questionnaire/Affidavit. Failure of Proposer to provide this information may eliminate its Proposal from any further consideration.

1.36 Transitional Job Opportunities Preference Program

1.36.1 In evaluating Proposals, County will give preference to businesses that are certified by County as Transitional Job Opportunity vendors, consistent with Chapter 2.205 of the Los Angeles County Code. A Certified Transitional Job Opportunity vendor is, and has been such for three (3) years, an entity: 1) that is a non-profit organization recognized as tax exempt pursuant to section 501(c)(3) of the Internal Revenue Service Code; set forth, under penalty of perjury, such information as requested by County on either electronic or hard copy forms, along with their application form and three (3) most recent annual tax returns to the Department with their Proposal response to the contracting solicitation for which they are competing; 2) has been in operation for at least one (1) year providing transitional job and the related supportive services to program participants; and 3) provide a profile of their program with a description of their program components designed to assist program participants, number of past program participants, and any other information requested by a contracting Department.

1.36.2 Transitional Job Opportunities vendors must request the preference in their solicitation response and may not receive the preference until their certification has been affirmed by the applicable Department. County must verify the Transitional Job Opportunity vendor certification prior to applying the preference. Sanctions and financial penalties may apply to a Proposer that knowingly and with intent to defraud seeks to obtain or maintain certification as a Transitional Job Opportunities vendor.

1.36.3 To request the Transitional Job Opportunities Preference, Proposer must complete the Appendix D (Required Forms) Exhibit 12 – Transitional Job Opportunities Preference Application and submit it along with all supporting documentation with their Proposal.

1.37 Contractor's Obligations as a "Business Associate" Under the Health Insurance Portability and Accountability Act of 1996 and Health Information Technology for Economic and Clinical Health Act

of 1996 (HIPAA) as in effect and as may be amended, and with applicable provision of the Health Information Technology for Economic and Clinical Health (HITECH) Act, as contained in Appendix A (Sample Contract) Exhibit P – Contractor’s Obligation As A “Business Associate” Under The Health Insurance Portability And Accountability Act Of 1996 And The Health Information Technology For Economic And Clinical Health Act (Business Associate Agreement).

1.38 Proposer’s Charitable Contributions Compliance

1.38.1 California’s “Supervision of Trustees and Fundraisers for Charitable Purposes Act” regulates receiving and raising charitable contributions. Among other requirements, those subject to the Charitable Purposes Act must register. The 2004 Nonprofit Integrity Act (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. Proposers should carefully read the Background and Resources: California Charities Regulations (Appendix L). New rules cover California public benefit corporations, unincorporated associations, and trustee entities and may include similar foreign corporations doing business or holding property in California. Key Nonprofit Integrity Act requirements affect executive compensation, fund-raising practices and documentation. Charities with over two million (\$2,000,000) of revenues (excluding funds that must be accounted for to a governmental entity) have new audit requirements.

1.38.2 All Proposers must determine if they receive or raise charitable contributions which subject them to the Charitable Purposes Act and complete the Charitable Contributions Certification (Exhibit 11 in Appendix D - Required Forms). A completed Exhibit 11 is a required part of any agreement with County.

1.38.3 In Exhibit 11, Proposers certify either that:

- They have determined that they do not now receive or raise charitable contributions regulated under the California Charitable Purposes Act, (including the Nonprofit Integrity Act) but will comply if they become subject to coverage of those laws during the term of a County agreement,

- OR -

- They are currently complying with their obligations under the Charitable Purposes Act, attaching a copy of their most recent filing with the Registry of Charitable Trusts.

1.38.4 Prospective County contractors that do not complete Exhibit 11 as part of the solicitation process may, in County’s sole discretion, be disqualified from contract award. A County contractor that fails to comply with its obligations under the Charitable Purposes Act is subject to either contract termination or debarment proceedings or both.

1.39 Defaulted Property Tax Reduction Program

The prospective contract is subject to the requirements of County's Defaulted Property Tax Reduction Program ("Defaulted Tax Program") (Los Angeles County Code, Chapter 2.206). Proposers should carefully read Appendix M - Defaulted Property Tax Reduction Program and the pertinent provisions of the Appendix A (Sample Contract) Sub-paragraph 8.51 – Warranty Of Compliance With County's Defaulted Property Tax Reduction Program, both of which are incorporated by reference into and made a part of this solicitation. The Defaulted Tax Program applies to both Contractors and their Subcontractors.

Proposers shall be required to certify that they are in full compliance with the provisions of the Defaulted Tax Program and shall maintain compliance during the term of any contract that may be awarded pursuant to this solicitation or shall certify that they are exempt from the Defaulted Tax Program by completing Appendix D (Required Forms) Exhibit 13 - Certification of Compliance with The County's Defaulted Property Tax Reduction Program.

Failure to maintain compliance, or to timely cure defects, may be cause for termination of a contract or initiation of debarment proceedings against the non-compliance contractor (Los Angeles County Code, Chapter 2.202).

Proposals that fail to comply with the certification requirements of the Defaulted Tax Program will be considered non-responsive and excluded from further consideration.

3.0 SELECTION PROCESS AND EVALUATION CRITERIA

3.1 Selection Process

County reserves the sole right to judge the contents of the Proposals submitted pursuant to this RFP and to review, evaluate and select the successful Proposal(s). The selection process will begin with receipt of the Proposals on **December 4, 2013**

Evaluation of the Proposals will be made by an Evaluation Committee selected by the Department. The Committee will evaluate the Proposals and will use the evaluation approach described herein to select a Proposer.

All Proposals will be evaluated based on the criteria listed below. All Proposals

will be scored and ranked in numerical sequence from high to low. County may also, at its option, invite Proposers being evaluated to make a verbal presentation, or conduct site visits, if appropriate. Verbal presentations and site visits will be evaluated on Proposer's ability to accurately provide the Services. The Evaluation Committee may utilize the services of appropriate experts to assist in this evaluation.

Proposers who have previously contracted with County for the provision of Services or other work that have outstanding audit or monitoring findings must resolve those findings to be eligible for a potential Contract. Resolving findings means County accepted Proposer's corrective action plan and/or Proposer has reimbursed County for questioned costs. Failure to comply with this provision will be grounds for disqualification.

County also reserves the right to request additional information/documentation it may deem necessary regarding Proposer's submitted Business Proposal and/or Cost Proposal. Proposer shall promptly provide such information/documentation. The information/documentation shall be submitted in writing to the contact listed in Sub-paragraph 1.9 (Contact with County Personnel) and/or County may conduct a site visit to verify the information contained in the Proposal or adequacy of Proposer's Facility(ies).

After a Proposer has been selected, County and Proposer(s) will negotiate a Contract for submission to the Board of Supervisors for its consideration and possible approval. If a satisfactory Contract cannot be negotiated, County may, at its sole discretion, begin contract negotiations with the next qualified Proposer who submitted a Proposal, as determined by County.

The recommendation to award a Contract will not bind the Board of Supervisors to award a Contract to Proposer.

County retains the right to select a Proposal other than the Proposal receiving the highest number of points if County determines, in its sole discretion, another Proposal is the most overall qualified, cost-effective, responsive, responsible and in the best interests of County.

3.2 Adherence to Minimum Requirements (Pass/Fail)

County shall review Proposer's Organization Questionnaire/Affidavit (Exhibit 1 in Appendix D - Required Forms), and determine if Proposer meets the minimum requirements as outlined in Sub-paragraph 1.4 of this RFP.

Failure of Proposer to comply with the minimum requirements may eliminate its Proposal from any further consideration. County may elect to waive any informality in a Proposal if the sum and substance of the Proposal is present.

3.3 Disqualification Review

A Proposal may be disqualified from consideration because County determined it was non-responsive at any time during the review/evaluation process. If

County determines that a Proposal is disqualified due to non-responsiveness, County shall notify Proposer in writing.

Upon receipt of the written determination of non-responsiveness, Proposer may submit a written request for a Disqualification Review within the timeframe specified in the written determination.

A request for a Disqualification Review may, in County's sole discretion, be denied if the request does not satisfy all of the following criteria:

1. The person or entity requesting a Disqualification Review is a Proposer;
2. The request for a Disqualification Review is submitted timely (i.e., by the date and time specified in the written determination); and
3. The request for a Disqualification Review asserts that County's determination of disqualification due to non-responsiveness was erroneous (e.g. factual errors, etc.) and provides factual support on each ground asserted as well as copies of all documents and other material that support the assertions.

The Disqualification Review shall be completed and the determination shall be provided to the requesting Proposer, in writing, prior to the conclusion of the evaluation process.

3.4 Proposal Evaluation and Criteria

Any reviews conducted during the evaluation of the Proposal may result in a reduction in points. The maximum points available for each complete SSP Proposal (consisting of Business and Cost Proposals) submitted, is one thousand (1,000) points, in which each complete SSP Proposal is comprised of six hundred (600) points possible for the Business Proposal, plus four hundred (400) points possible for the Cost Proposal.

A threshold score of seven hundred (700) points based on the Business and Costs Proposals combined for each of the specific SSP Service(s) to which Proposer submits a Proposal is required to be eligible for a Contract for that specific SSP Service(s). However, scoring seven hundred (700) points is not a guarantee that a Proposer will be awarded a Contract.

The SSP Proposal evaluations will consist of the following point allowances:

Proposer's audited statements will also be used to evaluate Proposer's ability to meet the minimum mandatory requirements in Sub-paragraph 1.4 of this RFP.

All other proposals will be compared to the lowest cost proposal, and points awarded accordingly.

However, should one or more of Proposers request and be granted the Local SBE Preference and/or Transitional Job Opportunities Preference, the cost component points will be determined as follows:

Local SBE Preference: 8% of the lowest cost proposed will be calculated, which shall not exceed fifty thousand dollars (\$50,000), and that amount will be deducted from the Cost submitted by all Local SBE Proposers who requested and were granted the Local SBE Preference.

Upon completion of the evaluation, County shall notify the remaining Proposers in writing that County is entering negotiations with another Proposer. Upon receipt of the letter, any non-selected Proposer may submit a written request for a Debriefing within the timeframe specified in the letter. A request for a Debriefing may, in County's sole discretion, be denied if the request is not received within the specified timeframe.

The purpose of the Debriefing is to compare the requesting Proposer's response to the solicitation document with the evaluation document. The requesting Proposer shall be debriefed only on its response. Because contract negotiations are not yet complete, responses from other Proposers shall not be discussed, although County may inform the requesting Proposer of its relative ranking.

During or following the Debriefing, County will instruct the requesting Proposer of the manner and timeframe in which the requesting Proposer must notify County of its intent to request a Proposed Contractor Selection Review (see Sub-paragraph 3.6.2 below), if the requesting Proposer is not satisfied with the results of the Debriefing.

 - c. A member of the Evaluation Committee demonstrated bias in the conduct of the evaluation.
 - d. Another basis for review as provided by state or federal law; and
4. The request for a Proposed Contractor Selection Review sets forth sufficient detail to demonstrate that, but for County's alleged failure, Proposer would have been the lowest cost, responsive and responsible bid or the highest-scored Proposal, as the case may be.

Upon completing the Proposed Contractor Selection Review, County representative shall issue a written decision to Proposer within a reasonable time following receipt of the request for a Proposed Contractor Selection Review, and always before the date the contract award recommendation is to be heard by the Board. The written decision shall additionally instruct Proposer of the manner and timeframe for requesting a County Independent Review. (see Sub-paragraph 3.7 below).

3.7 County Independent Review Process

Any Proposer that is not satisfied with the results of the Proposed Contractor Selection Review may submit a written request for a County Independent Review in the manner and timeframe specified by County in County's written decision regarding the Proposed Contractor Selection Review.

A request for County Independent Review may, in County's sole discretion, be denied if the request does not satisfy all of the following criteria:

Upon completion of the County Independent Review, the Los Angeles County Internal Services Department will forward the report to County, which will provide a copy to Proposer.
